Complete Assembly Picture

HOW TO ASSEMBLY

- 1 Place the table top upside down as shown in picture below. Install legs B1 and B2 tighten with JCBC bolts using a hex wrench. Attach the legs to the bottom of the table top. Use the hex wrench (4) to tighten the bolts (1)

- 2 The product is finished when the product is standing up.

- ☐ When placing the body on the floor for the assembly, make sure that there is nothing on the floor. Spread out some papers (e.g. newspaper) for covering the floor to avoid scratches on the surface of the body.
- ☐ There is a possibility of accident and damage if you raise the product by the edge of the leg as center point, so please lift and then raise it up.
- ☐ When moving the product, please lift and move it without pulling.
- ☐ Because the product is quite heavy, please be careful when raising or moving the product
