Recycled teak and iron are the star materials of the ONETWO bookcase. With a height of over two metres, this storage unit combines functionality, design and grandeur to perfection. It consists of six spacious fixed shelves, resulting in a minimalist, symmetrical and modern structure with an industrial feel. The recycled teak wood, salvaged from old derelict buildings in Java, Indonesia, makes this product a sustainable piece of furniture with a strong presence that can be combined with other units to create dividers in large rooms.

La teca reciclada y el hierro son los materiales protagonistas de la estantería ONETWO. Con sus más de dos metros de altura, este mueble de almacenaje combina a la perfección funcionalidad, diseño y grandeza. Se compone de seis espaciosos estantes fijos, resultando en una estructura minimalista, simétrica y moderna, de aires industriales. La teca reciclada, recuperada de antiguas construcciones en desuso en Java, Indonesia, convierten este producto en un mueble sostenible con mucha presencia, que combinado con más unidades, puede funcionar como separador en grandes estancias.

La teck recyclée et le fer sont les matériaux vedettes de l'étagère ONETWO. D'une hauteur de plus de deux mètres, ce meuble de rangement allie à la perfection fonctionnalité, design et grandeur. Elle se compose de six étagères fixes spacieuses, ce qui donne une structure minimaliste, symétrique et moderne à l'allure industrielle. Le teck recyclé, récupéré dans d'anciens bâtiments désaffectés à Java, en Indonésie, fait de ce produit un meuble durable avec beaucoup de présence, qui, combiné à d'autres unités, peut servir de séparateur dans de grandes pièces.
